WORK EXPERIENCE If you have no work experience, write "NONE" in A below and go to 25 on page 3.

May we ask your present employer about your character, qualifications, and work record? A "NO" will not affect our review of your qualifications. If you answer "NO" and we need to contact your present employer before we can offer you a job, we will contact you first . . .

READ WORK EXPERIENCE IN THE INSTRUCTIONS BEFORE YOU BEGIN.

- Describe your current or most recent job in Block A and work backwards, describing each job you held during the past 10 years. If you were unemployed for longer than 3 months within the past 10 years, list the dates and your address(es) in an experience block.
- You may sum up in one block work that you did more than 10 years ago. But
 if that work is related to the type of job you are applying for, describe each
 related job in a separate block.
- INCLUDE VOLUNTEER WORK (non-paid work) -- If the work (or a part of the work) is like the job you are applying for, complete all parts of the experience block just as you would for a paying job. You may receive credit for work experience with religious, community, welfare, service, and other organizations.
- INCLUDE MILITARY SERVICE -- You should complete all parts of the
 experience block just as you would for a non-military job, including all
 supervisory experience. Describe each major change of duties or
 responsibilities in a separate experience block.
- IF YOU NEED MORE SPACE TO DESCRIBE A JOB -- Use sheets of paper
 the same size as this page (be sure to include all information we ask for in A
 and B below). On each sheet show your name, Social Security Number, and
 the announcement number or job title.
- IF YOU NEED MORE EXPERIENCE BLOCKS, use the SF 171-A or a sheet of paper.
- IF YOU NEED TO UPDATE (ADD MORE RECENT JOBS), use the SF 172 or a sheet of paper as described above.
